# Breakaway Sportfishing Charter Agreement

---

- If the original date you had reserved is able to be filled by another charter party we will hold your deposit and apply it to a date that better suits you. If the original charter date remains open in the calendar (is not filled by another charter party) then the charter deposit is forfeited.
- Cancellations caused by inclement weather, rough water, storm warnings, mechanical defect or any other conditions beyond the control of the captain will be rebooked on a future date agreeable to the charter party and the captain. The captain makes the final determination concerning the vessel's departure. If rescheduling cannot be done due to time or other constraints the deposit will be refunded after the captain has agreed that a reschedule will not work.
- The Captain may cancel any charter without refund for any of the following reasons: Any member of the charter is intoxicated, under the influence of drugs, possessing any illegal drugs, acts in an unruly manner, poses a threat to safe operation of the vessel, or obstructs the Captain and/or crew from their normal duties.
- The captain has a "**ZERO TOLERANCE POLICY**" for illegal drugs including medical marijuana being carried onboard. All drugs will be reported to the appropriate authorities.
